

# FY02 DON Pilot Project Summary

---

**Project Name:** HQ Web Readiness Display – HQ WRD (#230)

**Command:** CNO

**Functional Area Manager (FAM):** Command & Control

---

## **Pilot Summary:**

The HQ WRD provides organizational readiness and response information to the Chief of Naval Operations (CNO), N Codes, and OPNAV staff using an on-demand, classified website displaying key readiness metrics. Primary status information displayed includes: Manpower, Ordinance, Supply, Naval Air operations, Ship Operations, Finance, Maintenance, and Battle Groups/Task Forces. It is intended to provide the CNO with a tool to facilitate the assessment of performance and readiness; significantly reducing manual data loads, and providing a catalyst to change Navy culture.

## **Business Value Added:**

- Enhances Fleet readiness visibility
- Improves availability of mission essential information, near real time
- Improves collaboration in a secure global environment
- Provides Navy leaders, managers, staff and commands with an aggregated view of key performance indicators, with cause and effect relationships
- Improves asset allocation decisions
- Satisfies The CNO's goal of developing and tracking metrics that are consistent with his objectives for improving the operational effectiveness.

## **Other Considerations:**

- HQ WRD meets TFW and NMCI standards.

## **Pilot Participants:**

- OPNAV N43

## **Targeted Users:**

- CNO
- VCNO
- Director of Naval Staff
- Deputy Chief of Naval Operations (Manpower & Personnel, Plans & Policy, Operations, Warfare Requirements)
